## Train to Teach with the Yorkshire Anglican TSA

### GET INTO TEACHING VIA OUR SCHOOL DIRECT PLACEMENT PARTNERSHIP WITH LEEDS BECKETT UNIVERSITY

School Direct enables graduates to develop close links with local schools as well as receiving academic and University training from Leeds Beckett University whilst training to teach at Primary level.

As an outstanding school, Scissett CE Academy is working closely with our Alliance Members to deliver exceptional training to our students at primary and special school level.

Training to be a teacher with Yorkshire Anglican TSA gives you access to primary experience and one of the great strengths of training with us is that you become a staff member from day one. We have a no compromise approach to delivering quality training. Trainees are placed in good and/or outstanding schools across our Alliance (which has over 50 member schools)

For more information - contact us. You can also come along to the Leeds Beckett Post Graduate Open Day on 24<sup>th</sup> June 2017 – see <http://www.leedsbeckett.ac.uk/cpd/education/#schoolsdirect>
