SALENDINE NOOK SWIMMING

BE SAFE AROUND WATER

CHILDREN 3+ YEARS (POTTY TRAINED)

Have you been on holiday this year, could your child swim??? Would you feel safer knowing that your child is safe in and around water???? If you are answering yes to 1 or all of the questions this is the course for your child. We teach children to swim and also all 4 swimming strokes butterfly, front crawl, back crawl and breaststroke

Our sessions are based on water confidence and stroke technique, emphasis is on enjoyment and learning to swim through play. Certificates will be available on Friday £3.00 per certificate. ASA National Teaching Plan implemented 2010 incorporates all our swimming teaching ethics. Friday we will put lane ropes in to see which children are best suited to lengths and providing encouragement for the younger and less confident to swim in deeper water.

TEACHERS IN THE WATER FOR NON OR WEAK SWIMMERS.

COURSE PROVIDES

Water Confidence
Stroke Technique
Enjoyment
Social & Fun With Others
Qualified Instructors
